PREAMBLE

WHEREAS, the Parties, through their designated representatives, met and conferred in good faith pursuant to Tempe City Code 2-400 Et Seq in order to reach agreement concerning wages, hours, and working conditions of employees comprising the Firefighter Unit, and,

WHEREAS, the Parties hereby acknowledge that the provisions of this Memorandum are not intended to abrogate the authority and responsibility of City government provided for under the statutes of the state of Arizona or the Charter or Ordinances of the City of Tempe except as expressly and lawfully limited herein,

NOW, THEREFORE, having reached this complete agreement concerning wages, hours and working conditions for the term specified, the Parties submit this Memorandum to the City Council of the City of Tempe with their joint recommendation that body resolve to adopt its terms and take such other action as may be necessary to implement its provisions.

PROVISO FOR EXISTING BENEFITS

The Parties agree and Tempe City Code 2-400 Et Seq confirms that in the event of a conflict between the City of Tempe Personnel Rules and Regulations, attachments thereto, other Council approved programs, and this Memorandum of Understanding, the Memorandum of Understanding shall apply to the conflicting issue. If there is no conflict between the above referenced documents, the Parties are governed by the Personnel Rules and Regulations, attachments thereto and Council approved programs. In the event all such formerly referenced documents are silent on a particular issue, the City Manager and/or designee shall retain the right to exercise judgment on all such matters.

If, during the term of this Agreement, the City anticipates a substantive change in the benefits not included in this MOU, but provided to Unit Members through the City of Tempe Personnel Rules and Regulations and attachments thereto, and other Council approved programs, the City shall meet with the Union, explain the reasons for the change, and discuss the potential impact of such changes.

The purpose of the provisions of this Article is to continue to provide current financial benefit levels, as that terminology is customarily defined as part of the employees' overall compensation package, while simultaneously not restricting the authority of management in the administration and management of such benefits. As an example, firefighters on a 56-hour workweek will continue to be provided the benefit of vacation accrual as provided in the City Personnel

Rules and Regulations; however, how approval is obtained to utilize such time shall remain the determination of the City. Similarly, these provisions do not guarantee a firefighter a particular work shift or work assignment; nor shall they guarantee a firefighter a right to overtime.

The referencing of the Personnel Rules and Regulations and other such policies and procedures herein does not make them an extension of this Memorandum of Understanding. Therefore, the process for an alleged breach of this MOU as contained in Tempe City Code 2-400 Et Seq or any procedure agreed upon by the Parties to resolve allegations of a breach of this MOU, shall not be applicable.

Any benefit provided by outside vendors (such as health insurance), and subject to cost increases outside the City's control, may cause a re-opening of this contract for purposes of the affected benefit only. This negotiation process will exclude fact-finding.

Fiscal Crisis

In the unlikely event during the term of this Memorandum of Understanding the City of Tempe experiences loss of revenues or legal requirements that if not resolved during the budget year would result in the layoff of City of Tempe Firefighter Unit Members or the serious curtailment of services provided to the citizens of Tempe, this Memorandum of Understanding may be reopened. This provision shall only apply if the general population of Tempe City Employees is subject to the same or greater reduction of pay or benefits negotiated as a result of this reopener provision. The following provisions shall apply to this circumstance.

1. The City shall notify the Association President in writing of the need to reopen this Memorandum of Understanding. Such notice shall include the reasons for the reopening and the anticipated amount of City-wide budget shortfall that needs to be resolved in order to alleviate the need to layoff City employees or severely curtail services provided to the Citizens of Tempe.

2. The City shall supply the Association President with all available current budget information including, but not limited to, projected revenue shortfalls.

3. The Parties shall meet and confer/negotiate in a good faith effort to reach agreement on what, if any, reduction in pay and/or benefits shall occur for Unit Members in order to address the City's budget shortfall.

4. The meet and confer/negotiation process will be for a period of no less than 30 calendar days. During this 30-calendar day period, the Parties shall

meet at least weekly unless mutually agreed otherwise.

5. If the Parties are unable to reach an agreement on the issues identified for this process, the issues will be submitted directly to the City Council who shall make a final determination. The determination of the City Council shall be final and binding on the Parties.

ARTICLE 9 BIDDING ON VACANCIES

1. The Parties acknowledge that the Fire Department has historically utilized a procedure whereby employees bid on work locations based upon the employee's length of service since date of hire as a firefighter with the City. Although this process oftentimes meets the needs of both the Department and the Employee, the Parties agree that this process in no way limits the authority of the Fire Chief, or his designee, to make assignments to meet the operational needs of the Department.

This process will also be used in the event of any layoffs within the Fire Department.

FORTY-HOUR (40-HOUR) LEAVE ACCRUAL

When the Fire Chief reassigns a firefighter, or a firefighter is selected into a position with a forty (40-hour) work schedule, the firefighter will begin accruing vacation and medical leave at the same rate as other forty (40-hour) per week City employees. Furthermore, the firefighter's current accrual balances will be prorated as if it had been accrued based upon a forty (40-hour) workweek. This article excludes light duty assignments of less than ninety (90) calendar days.

When a firefighter on a forty (40-hour) workweek returns to the regular fifty-six (56-hour) workweek, vacation and medical leave will be in accordance with other fifty-six (56-hour) workweek employees, and the firefighter's leave balance will be prorated accordingly.
